

MANUFACTURING

# *Aluminum Extrusion Fabrications*

# ENCLOSURES

C&C modular t-slotted aluminum enclosures are engineered and fabricated to meet your custom needs.

- CMM Enclosures
- Climate & Temperature Controlled
- Inspection Camera Enclosures
- Sounds Deadening Enclosures
- Grinding & Polishing Enclosures
- Robot Safety Enclosures
- Modular Office
- Wall Partitions
- Part Cribs

## SOUND DEADENING

Our sound abatement enclosures reduce the decibel and frequency levels to maintain a quiet and safe work environment.

Display or Vending Enclosures can be utilized as a modular lightweight alternative to other building materials.

Laser Enclosure deflect and absorb the laser beam shielding the operator and it's surrounding area.

# VISUAL INSPECTIONS AREAS

Ergonomic and well lit inspection stations are crucial for inspecting for non-conforming product. Gauge Storage is also important to protect your various precision measuring devices.

## WORKSTATIONS

Our workstations can be at a fixed work height or adjustable for comfortable ergonomic working conditions for different operators and their physical attributes.

## CUSTOM TOOL CARTS

Drawers with custom foam cut outs protect and securely store your tools and gages while the cart is being transported or stored.

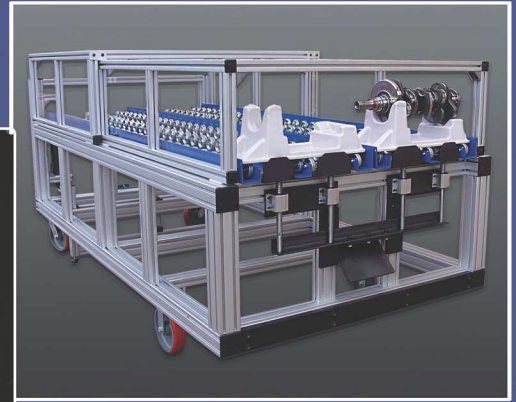

C&C custom tool carts are a great way to mobilize your tooling or calibration equipment.

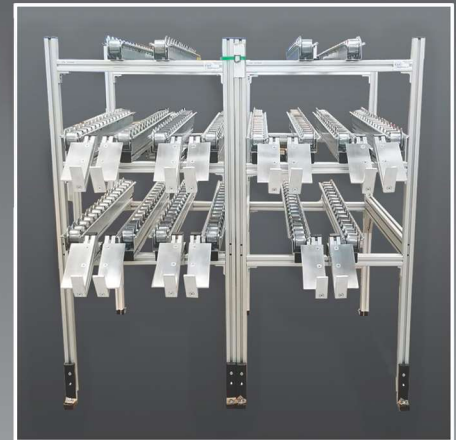

# MATERIAL HANDLING/QUALITY CONTROL

Custom material handling carts and racks transport and store critical or high tolerance production parts.

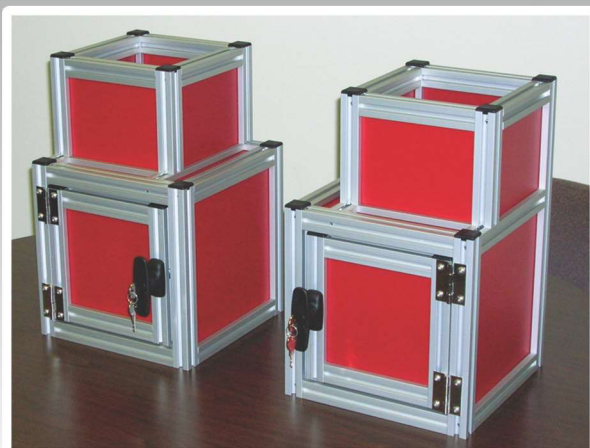

## DUNNAGE CONVEYORS/RACKS

Designed for your material handling application.

## REJECT STORAGE

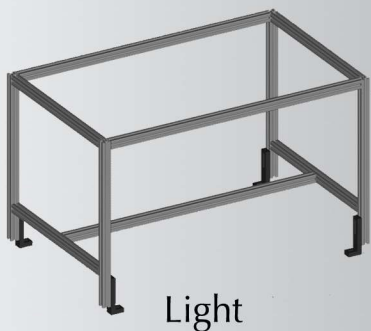

Protecting master parts or isolating ejected non-conforming parts is crucial for your quality control process.

# MACHINE BASES

C&C Machine bases cover  
a wide range of  
load & application  
requirements!

# MACHINE GUARDS

*C&C Machine guards protect the operator from internal moving components.*

Whether the guard is base mounted, perimeter mounted, wire mesh, or polycarbonate we can design and assemble for easy field installation.

*C&C Manufacturing has a wide range of English & Metric profiles.*

*(1" Series , 1-1/2" Series, 40mm Series, 45mm Series)*
